Resolution 1-04

**Resolution Supporting Administrative Uniformity
of State Motor Carrier Procedures**

Whereas, Interstate motor carriers must comply with the multiple and non-uniform state taxation and regulation procedures of each state in which they operate; and,

Whereas, the Interstate motor carrier industry finds the existing system of state procedures administratively complex; and,

Whereas, the WASHTO subcommittee on Highway Transport has determined that its top priority is to achieve uniformity of motor carrier laws and regulations to the extent possible;

Now, therefore be it resolved, that WASHTO supports efforts to achieve uniformity of motor carrier laws and regulations as a means to increase the efficiency and effectiveness of the states procedures; and,

Be it further resolved, that this resolution be communicated to AASHTO, the U.S. Secretary of Transportation, and the National Governor's Association.
