**Resolution 13-04**

**Adopting of the Sixth Edition of the “Guide for Uniform Regulations  
Governing Truck Size and Weight Among the WASHTO States”**

**Whereas**, Resolution 1-90, approved by the WASHTO Board of Directors, April 6, 1990, adopted the first edition of the “Guide”; and

**Whereas**, Resolution 1-90 recognized that the “Guide” should be a continuing and dynamic document; and

**Whereas**, Resolutions 7-93, 7-95, 3-97 and 4-99 were approved by the WASHTO Board of Directors, adopting the second, third, fourth and fifth editions of the “Guide” and, accordingly, has in their possession the proposed sixth edition;

**Now, Therefore Be It Resolved**, that the WASHTO Board of Directors hereby adopts this sixth edition of “Guide for Uniform Laws and Regulations Governing Truck Size and Weight Among the WASHTO States” (Changes summarized in Attachment A); and

**Be It Further Resolved**, that the WASHTO Board of Directors authorizes the Committee on Highway Transport to provide future technical updates to the “Guide” without the necessity of resolution, as long as the updates do not include policy additions, deletions or amendments (i.e. recommended changes in vehicle configurations); and

**Be It Further Resolved**, that the WASHTO Board of Directors continues to support the work of the Committee on Highway Transport to resolve highway transportation issues in the WASHTO region, and encourages the individual member states to incorporate, to the extent possible, the recommendations of the “Guide” into laws, regulations and policies that will result in increased efficiency of interstate truck transportation in the WASHTO region.
