and Infrastructure

## Project Cargo Corridors

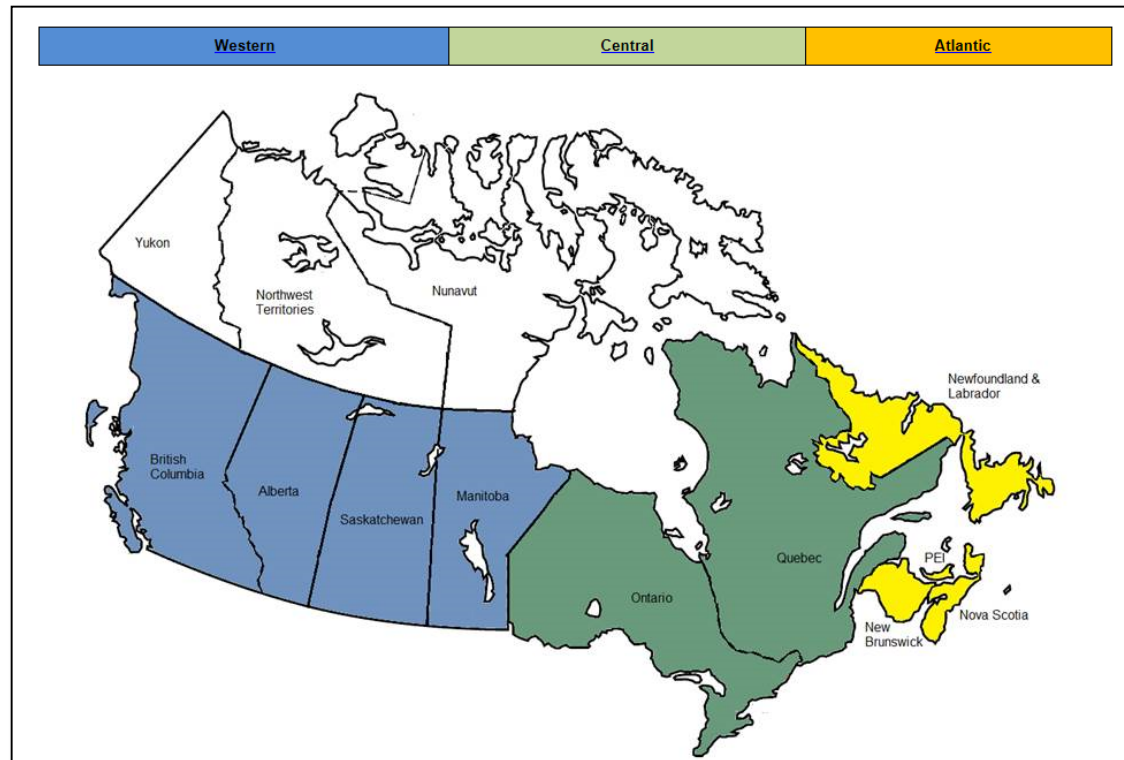

Feb 27, 2018

*Highway 1, Kicking Horse Canyon*

# Background:

- ▶ Weights and dimensions are provincially regulated in Canada, but with some national agreements (MoU)
- ▶ Also regional agreements

# Background:

---

- ▶ Lots of mountains, rivers and bridges, remote highways and congested ones, especially in the Vancouver area
- ▶ Major sea ports

*Highway 97, Winfield to Oyama*

*South Fraser Perimeter Road & Highway 99*

# Project Cargo Corridors:

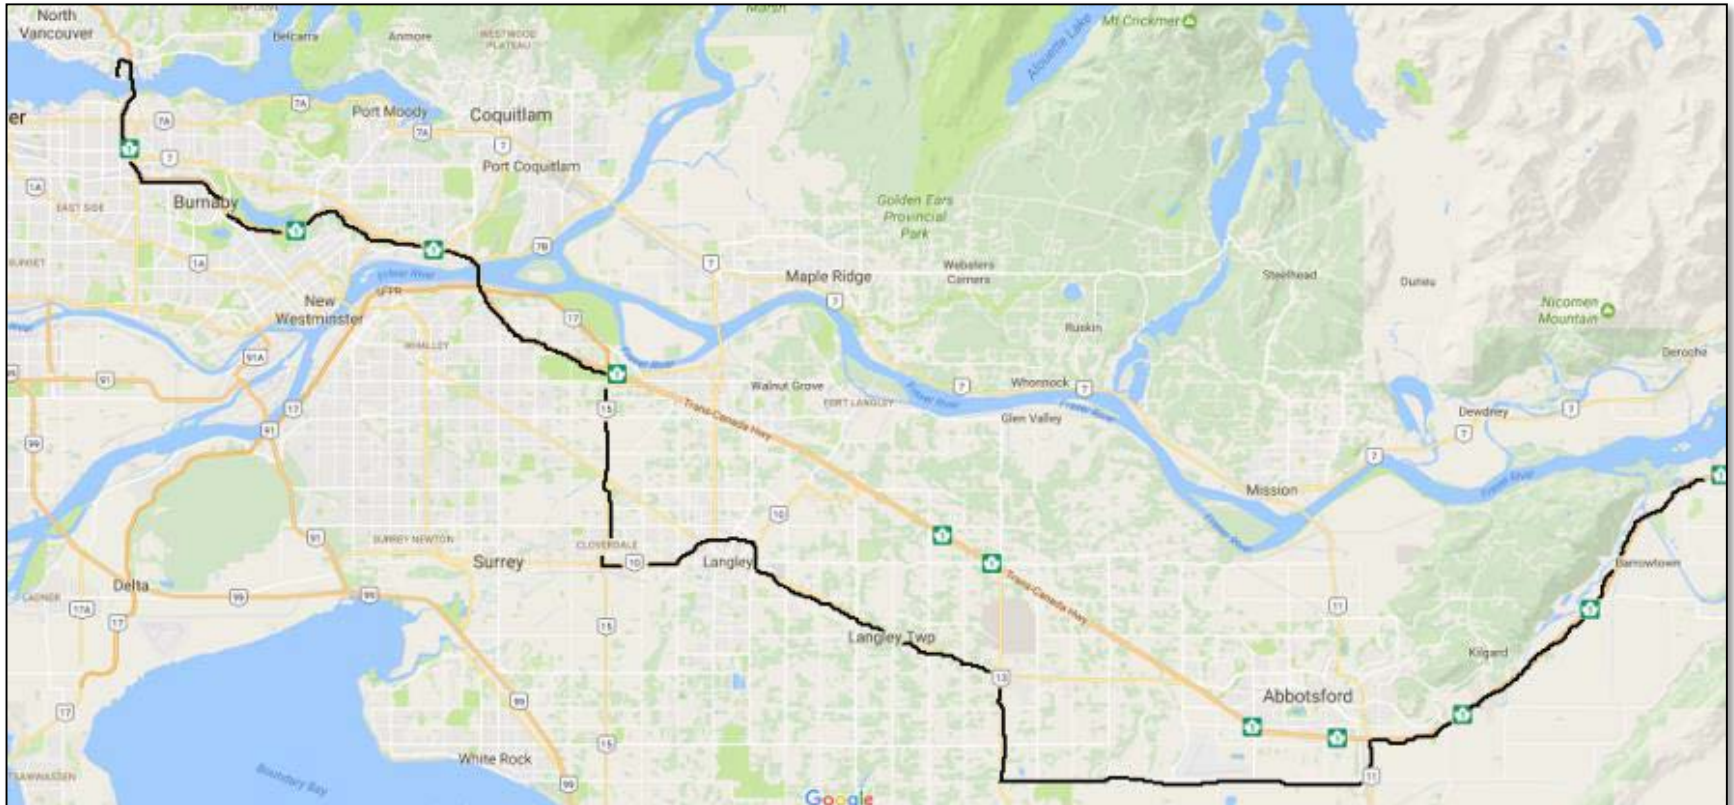

---

- ▶ Project initiated jointly with industry and ports
- ▶ Pre-approved permit corridors for loads from two Vancouver-area ports to our eastern border

# Project Cargo Corridors:

---

# Project Cargo Corridors:

---

- ▶ 42 vehicle configurations (14 x 3), weights up to 125,000 kg (275,000 lbs.)
- ▶ Province and seven municipalities
- ▶ Pre-set travel conditions

# Thank you!

---

*Highway 1, Port Mann Bridge*

---
