About the WASHTO Committee on Highway Transport

The Committee on Highway Transport shall identify and explore major motor carrier industry-related transportation issues within the WASHTO region and across the international boundaries contiguous to the WASHTO region, to define actions and solutions, improve coordination and communication, and to recommend policies, position statements and standards to the WASHTO Board of Directors.

The mission of the WASHTO Committee on Highway Transport in partnership with the motor carrier industry is to promote uniform laws, regulations and practices among member jurisdictions and other jurisdictions for the efficient movement of goods and services while ensuring the safety of all highway users and preserving the highway infrastructure.

WASHTO Committee on Highway Transport Executive Sponsor: Brian Ness, Director, Idaho Transportation Department

Committee Chair: Carol Davis, Permit Program Manager, Texas Department of Motor Vehicles

Committee Vice-Chair: Jim Wright, Permit Program Manager, Washington Department of Transportation
