About the WASHTO Committee on Highway Transport

The Committee on Highway Transport shall identify and explore major motor carrier industry-related transportation issues within the WASHTO region and across the international boundaries contiguous to the WASHTO region, to define actions and solutions, improve coordination and communication, and to recommend policies, position statements and standards to the WASHTO Board of Directors.

The mission of the WASHTO Committee on Highway Transport in partnership with the motor carrier industry is to promote uniform laws, regulations and practices among member jurisdictions and other jurisdictions for the efficient movement of goods and services while ensuring the safety of all highway users and preserving the highway infrastructure.

WASHTO Committee on Highway Transport Executive Sponsor: Brian Ness, Director, Idaho Transportation Department

Committee Chair: Jim Wright, Permit Program Manager, Washington Dept. of Transportation

Committee Vice-Chair: Danny Wells, Permits Office Manager, Colorado Dept. of Transportation

Committee Web Site: <http://www.washto.org/coht>

Next meeting: March 3-4, 2015 – Atlanta, GA, (Atlanta Marriott Marquis). In conjunction with the SC&RA Symposium on March 4-6, 2015.
